

MyValentino **Creative Services**

BUSINESS IMPROVEMENT

Businesses large and small are constantly exposed to changes to their business environment driven by internal and / or external forces. These changes impact organisational efficiency and effectiveness.

The MyValentino Creative Services Team offers to review the abovementioned environmental changes, subsequent impact to operations and find solutions to help organisations optimise their people, processes and systems

Solutions to be recommended will assist in achieving greater business outcomes.

IMPROVEMENT COMPONENTS:

- Business Process Review & Re-design
- Operations Review
- Organisation Structure Review
- Business Improvement Roadmap
- Change and Transition Planning
- Change Management (Implementation and Transition)
- Evaluation and Monitoring
- Benefits Realisation

BUSINESS IMPROVEMENT OBJECTIVES:

- Productivity improvements (Reduction in Process Inefficiencies)
- Cost reduction
- Alignment of processes and business goals
- Enhanced customer service & customer retention
- Increased market share
- Successful delivery and maintenance of quantifiable and meaningful business benefits
